EXPERIENCE & QUALIFICATIONS

EXPERIENCE

Author of *Sort your property out & build your future* and with over 25 years of detailed property investing experience and unrivalled expertise to guide and coach clients through every type of investment strategy, John's fierce drive and inspirational effect has helped hundreds of clients, businesses and staff work hard towards achieving their goals in life.
However, it's not his personal success alone nor impressive qualifications that clients are drawn to, it's his passion for property, capacity to understand, down to earth attitude and sincerity.
